### **The Corporation needs your support.**

The film was made by dedicated, independent filmmakers who have spent the better part of the past nine years funding, producing and promoting this film. Please send a monetary thank-you note to the filmmakers for their years of effort making and promoting the film.

Every dollar will help defray ongoing promotional costs and help keep the film—and the filmmakers—alive.

Minimum suggested contribution: \$2, but hey, the sky's the limit.

### **Campaign 4 Corporate Harm Reduction**

Join [HelloCoolWorld](#) and the makers of The Corporation as we develop [our campaign](#) to uncover and unleash alternatives to corporate misrule.

We are [collecting stories](#) about the impact of the film. Tell us what you did, or something you've heard about as a result of the film. Help us re-wire the corporate world. Of course, we gratefully accept money too!
